

ARMOILO™

AURA™

AURA™

AURA is one of the most attractive graphically customizable tablet display systems in the world. Whatever your tablet display goals, AURA will give you maximum exposure and flexibility. With its quick-change graphic panels, switching kiosk graphics is a breeze and its integrated back-light system gives your kiosk graphics maximum visibility and perfect lighting.

Clear anodized finish

Black anodized finish

Features & Benefits

- Fully enclosed, all aluminum tablet kiosk with integrated LED backlighting and magnetized, changeable front graphic panels
- Lifetime Warranty
- Precision machined components
- Highly secure tablet mounting using Armodilo tablet carrier and integrated key locks
- Fully integrated electrical components with a free plug for tablet charging

Quick-change magnetic panels

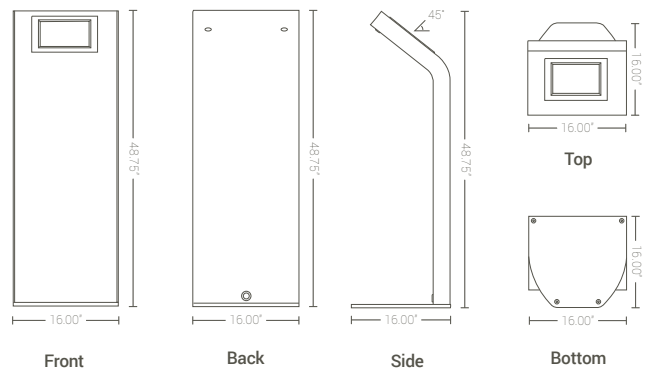

- 1 High strength earth magnets embedded into AURA's side rails provide a strong bond surface for graphic or alternative front panels.
- 2 Panels utilize bonded metal strips on each side to magnetize to the kiosk.
- 3 After the panel is magnetized to the AURA, installing the 'tablet carrier' holds and locks the tablet from the inside of the kiosk.
- 4 Panels can be replaced quickly and easily by anyone on staff.
